Partner Use Options

Participants supported by partners can access Aptus' programming spaces at \$10/hour, with the following options:

Facility Use

Come between 8:30 a.m. and 4:30 p.m. to access Aptus' facility (2 hours minimum charge). At the welcome desk, a schedule will show available spaces. Some rooms do require training.

Join Aptus Programs

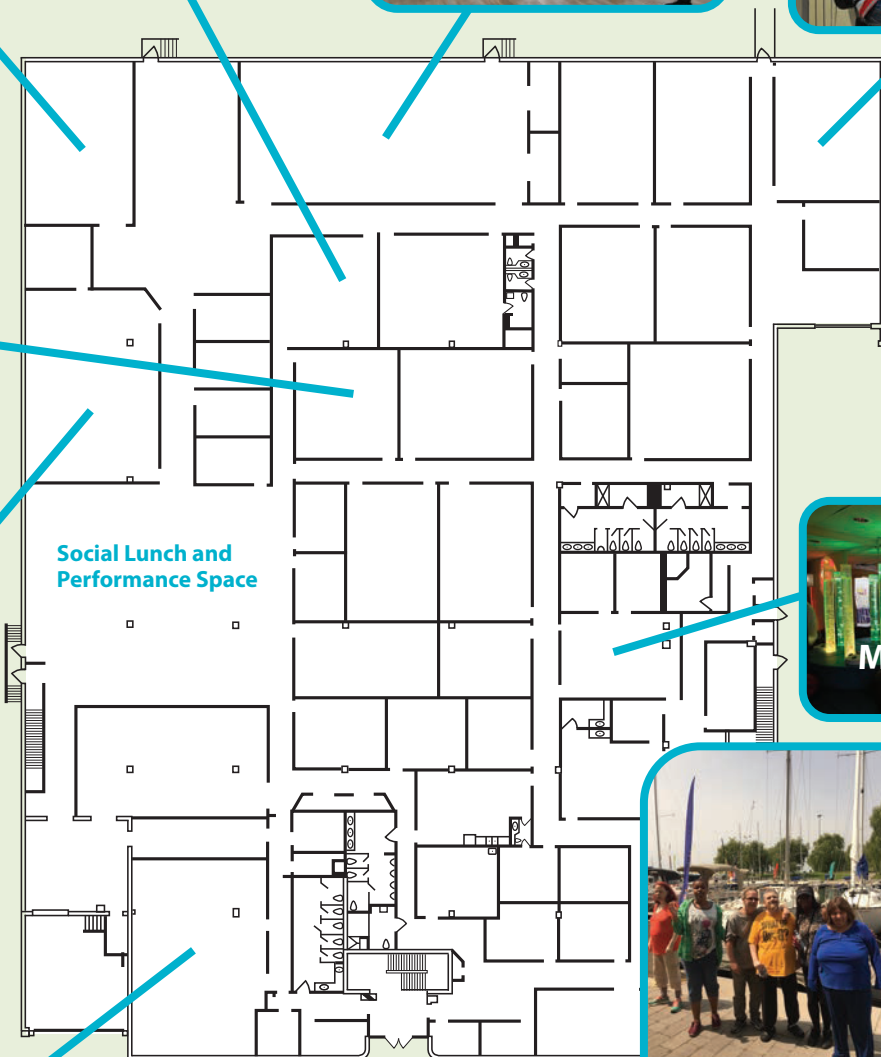

You are welcome to join scheduled Aptus programming, provided there is room and the partner-supported participant(s) can successfully join the group. At the welcome desk, activities will be listed that welcome additional participants for that day.

Booking Specific Rooms

If a partner wishes to host one-time or regular programming in a particular room, they would need to guarantee a minimum of 5 participants. Some rooms allow for more than one group at the same time (Training Kitchen, Gym, Art Studio and the Performance/Game Space). If exclusive use is desired, special pricing can be arranged. Some rooms do require training.
